Telephone: 252.399.2891 / Fax: 25 252.399.2893

Wilson Fire/Rescue Services along with the City of Wilson Municipality regulate Fireworks Discharge Permits within the city limits and Extra Territorial Jurisdiction (ETJ).

Fireworks/Pyrotechnics Checklist

ITEMS REQUIRED PRIOR TO PERMIT ISSUANCE:

- The submission of a completed permit application including all supplemental documents required by the authority having jurisdiction.
- The Permit Holder is required to obtain certificate liability insurance (Original document with signatures) in the amount of one million-dollars (\$1,000,000) liability and two million-dollars aggregate (\$2,000,000). City of Wilson must be named and additional insured.
- Submit a detailed site plan identifying setup area, spectator/viewing areas, storage of pyrotechnics, shooting site radius and distances from structures, roadways, and property lines.
- Provide program details including the manufacturer's technical data of each type, size (diameter), and amount of the pyrotechnics to be discharged as requested by the fire ode official.
- Provide a copy of Outdoor Pyrotechnics Operators License for the certified pyro technician responsible for the display or program as required by the NC Department of Insurance Office of the State Fire Marshal.
- Provide any safety procedures for the Fireworks Display to include firing procedures, Emergency Procedures, post display, and handling of misfires and duds.

Fireworks Tent/Sales:

- Provide hours of operation
- Provide Certified fire extinguishers
- Provide a listing of Emergency Contacts for the site
- Provide the length of time of sales.
- Provide a floor plan to show access and egress from the tent.
- Will there be Lighting/utility source generator? If yes, provide a location and amount of fuel on site.
- Will a Fire-Watch be provided after hours of operation?

Wilson Fire/Rescue Services

307 Hines Street West / Wilson, NC 27893

Albert L. Alston, Fire Chief

Telephone: 252.399.2891 / Fax: 252.399.2893

The Wilson Fire/Rescue Services Community Risk Reduction Division requires that a permit be obtained for the guidelines listed below shall be submitted at least **10 business** days prior to the issuance of a permit.

**Any additional findings, information, changes to the site, or the overall scope of the work being performed shall be reported to the fire code official immediately for approval. Not providing adequate notification to the fire code official may result in a revocation of the permit and the immediate termination of all work on the site.

The approved Permit Application must remain on site for the duration of the event or sale of fireworks.

The owner, site contractor, or an approved, responsible, representative shall be on site and provide all appropriate contact information to the fire code official prior to beginning.

All information must be completed before the processing of the fireworks permit application will proceed. This permit application and supporting documentation can be submitted via email, Fire Marshal Douglas Bissette dbissette@wilsonnc.org or dropped off at Station #1 307 Hines Street W.

Telephone: 252.399.2891 / Fax: 252.399.2893

Permit Approval

The Fire Code Official will deliver the permit to the applicant/permit holder once final approval has been granted to the sale or display fireworks. Any failure to provide the requested information and documentation may lead to a delay in processing and issuance of a permit.

Acknowledgement and Signature
