

**CITY OF WILSON
RESIDENTIAL ELECTRICAL RATE
SCHEDULE RES-5**

AVAILABILITY:

This schedule is available when electric service is used for domestic purposes in and about a residential dwelling unit. A residential house served under this schedule may be used as a boarding house, fraternity house, tourist home, or like establishment, provided such residential house is one which ordinarily would be used as a private residence.

Service under this schedule is not available for processing (or handling) of farm products produced for market, for separately metered farm operations, for individual motors in excess of 10 HP (in exceptional cases, motors as large as 15 HP may be served upon approval by the engineering department), for commercial or industrial purposes, or for other uses not specifically provided for by the provisions herein, or for breakdown, standby supplementary, or for resale. Service under this schedule is not available to separately metered service to accessory buildings on residential property that are not themselves intended or suitable for residence.

This schedule is also available for electric service used primarily for lighting specifically designed for outdoor fields which are normally used for football, baseball, softball, pickleball, soccer and tennis, etc.

This schedule is also available for electric service used for houses of worship.

APPLICABILITY:

This schedule is applicable to all electric service of the same available type supplied to Customer's premises at one point of delivery through one kilowatt-hour meter.

TYPE OF SERVICE:

The types of service to which this schedule is applicable are alternating current, 60 hertz, either single phase 2 or 3 wires, or three phase 4 wires, at City's standard voltages of 240 volts or less.

MONTHLY RATE:

1. Single Phase Service

- A. Facilities Charge:** **\$25.00**
- B. Kilowatt – Hour Energy Charge:** **9.653¢ per kWh**
- C. Billing Demand:** **\$9.70 per kW for all kW greater than 30 kW.**

2. Three Phase Service:

- A. The bill computed for single phase service plus \$17.00 where three phase service is readily available. If three phase service must be run to the customer, the customer shall pay in advance the estimated cost of the installation.**

BILLING DEMAND:

The billing demand shall be the difference between i) the maximum kW registered or computed by or from the City's metering facilities, during a 15-minute interval in the current billing month, and ii) 30 kW. The billing demand shall not be less than zero (0) kW.

Demand Charges shall not apply to houses of worship or ballfield lighting.

POWER COST ADJUSTMENTS:

Power cost adjustment charges will apply to all service supplied under this schedule as necessary to reflect changes in the City's total cost of purchased power.

PCA 1-22: A power cost adjustment of **0.436¢** per kWh will be effective from July 1, 2024 through June 30, 2026.

PCA 1-23: A power cost adjustment of **0.291¢** per kWh will be effective from October 1, 2024 through September 30, 2026. This amount may be adjusted by City staff to match NCEMPA's exact wholesale cost increase associated with 2023.

SALES TAX:

Any applicable NC Sales Tax will be added to the charges above.

CREDITS:

Any applicable credits, as approved by the City Council, may be applied to qualifying Customers' billing.

PAYMENTS:

Bills are due when rendered and are payable without penalty if paid on or before the Due Date stated on such bill. If any bill is not so paid, the City has the right to assess a Late Penalty and suspend service in accordance with its Customer Service Policies.

ADDITIONAL CONDITIONS:

Service rendered under this Schedule is subject to the provisions of the service regulations of the City.

Except where otherwise provided by a separate agreement, the City reserves the right to alter, amend, or discontinue service under the terms of this schedule in accordance with its rate making and rate administration standards. In the event of discontinuation, the City will provide Customer with alternative schedule(s) under which to receive service.

LIABILITY:

The City does not guarantee or warrant continuous electric service, and expressly disclaims any such warranty, express or implied, to provide continuous service. The City shall use reasonable diligence to provide uninterrupted service, and having used reasonable diligence shall not be liable to any consumer for damages due to failures in, interruptions of, or suspension of service, including, without limitation, surges. The City reserves the right to suspend service without liability on its part at such time, for such periods, and in such manner as may in its judgment be required for the purpose of making necessary repairs on the lines or other parts of its system.
